Built for Indoor and Outdoor Adventures

The Jazzy EVO 614 is your ultimate mobility alternative. With new 13.75-inch center drive wheels, a 3" ground clearance and new top speed of 4.4 mph, it's built for crossing the threshold for indoor and outdoor use. At just 22" inches, Jazzy EVO 614's turning radius comes in under two feet, which means your power wheelchair more easily navigates tight turns indoors and in your favorite shops and restaurants.

- 3" ground clearance
- 13.75" perforated mid-wheel drive tires
- Front and rear independent Active-Trac® ATX Suspension
- Removable matte-finish color-through shrouds
- Depth-adjustable, limited recline, memory foam heavy duty single seat post allows the user to swivel
- Access to controller and batteries without the user needing to exit the chair
- 60" lap belt
