

The Indoor, Outdoor, Portable, One-Hand Solution To Your Mobility Issues...

"My Zoomer has given me so much independence. No longer do people have to push me. I just go! Easy to maneuver."

– Lauren B.

Big Advantages In A Power Chair

You will not believe it! Foldable and with a small battery pack that will allow you to drive across town and into your local cafe with confidence knowing your Zoomer power chair will easily fit into any environment and narrow places. The long-lasting battery will allow you to enjoy shopping and do whatever you want.

Big Advantages In A Power Chair

Easily Scales Inclines

The Zoomer is capable of climbing up to a 10° incline. As a general reference, ADA compliant wheelchair ramps are 5° or less.

Turns On A Dime

Navigate into small spaces with a 50% smaller turning radius than other mobility scooters. Zoomer has a 33.4" turning radius.

Drives On Multiple Surfaces

The Zoomer operates best in dry conditions on level pavement. Travel unhindered over grass or gaps smaller than two inches.

Fits Under A Table

Just drive right up to a table or desk. No changing chairs needed!

Features

✓ **Folds And Unfolds In A Second**

Folding and unfolding the Zoomer is easy! Just pull the release cable and it folds down or up, with no additional assembly required.

✓ **Fits In Nearly Any Vehicle**

Folding and unfolding takes less than a few seconds and the Zoomer fits where others can't.

✓ **Innovative Control System**

Driving the Zoomer is easy and fun. Simple joystick controls make the Zoomer a breeze to control, just move the joystick in the direction you'd like to go. The Zoomer chair is specifically designed for one-handed control.

✓ **Removable, Long-lasting Battery**

The battery takes less than 4 hours to fully charge and will power your Zoomer for up to 8 miles. The removable battery makes it airline-friendly too, so your Zoomer is a perfect travel companion.

✔ Comfortable Seating
