Dealer Assistance

11.1

During first time use by the client, it is advised that the dealer or service technician assists and explains the setup to the customer (the user and/or the attendant). If needed, the dealer can make final adjustments.

CAUTION

ADI backs may not fit ever chair. Please consult your clinician or supplier providing your equipment.

CAUTION

Do not attach the ADI backs with the user in the chair.

User Testing

11.2

It is important that the customer is fully aware of the installation, how to use it, and what can be adjusted in order to gain as much mobility as possible. As a dealer, proceed as follows:

- Explain and show the customer how you have executed the installation, and explain the function of the hardware.
- If needed, adjust the hardware to the proper position.
- Explain to the customer possible problems and how to address them.

CAUTION

Do not use ADI backs during vehicle transportation.

Conditions of Use

11.3

The ADI hardware is intended for use as installed by the dealer, in accordance to the installation instructions in this manual.

- The foreseen conditions of use are communicated by the dealer or service technician to the user and/or attendant during the first time use.
- If the usage conditions change significantly, please contact your dealer or a qualified service technician to avoid excessive wear and tear or unintended damage.

Cleaning

12.1

- Use a soft cloth to clean the back shell.
- Hand wash the foam pad cover with mild, soapy water or detergent and let dry.
- Foam pad should NOT get wet.
